

MC GEOUGH
FINANCIAL CONSULTANTS LTD.

Trail commission, bullet commission, fund based, flat commission or renewal commission are all terms used for ongoing payments. Where an investment fund is being built up through an insurance-based investment product or a pension product, the increments may be based on a percentage of the value of the fund or the annual premium. For a single premium/lump sum product, the increment is generally based on the value of the fund.

Life Assurance products fall into either individual or group protection policies and Investment/Pension products would be either single or regular contribution policies. Examples of products include Life Protection, Regular Premium Life Assurance Investments, Single Premium (lump sum) Insurance-based Investments, and Single Premium Pensions.

Investments

Investment firms, which fall within the scope of the European Communities (Markets in Financial Instruments) Regulations 2007 (the MiFID Regulations), offer both standard commission and commission models involving initial and trail commission. Increments may be based on a percentage of the investment management fees, or on the value of the fund.

Credit Products/Mortgages

Commission may be earned by intermediaries for arranging credit for consumers, such as mortgages. The single, or standard, commission model is the most common commission model applied to the sale of mortgage products by mortgage credit intermediaries (Mortgage Broker).

Clawback

Clawback is an obligation on the intermediary to repay unearned commission. Commission can be paid directly after a contract is concluded but is not deemed to be 'earned' until after a specified period of time. If the consumer cancels or withdraws from the financial product within the specified time, the intermediary must return commission to the product producer.

Fees

The firm may also be remunerated by fee by the product producer such as policy fee, admin fee, or in the case of investment firms, advisory fees.

Preferred Provider Rate

McGeough Financial Consultants does not have any preferred provider arrangements.

Other Fees, Administrative Costs/ Non-Monetary Benefits

The firm may also be in receipt of other fees, administrative costs, or non-monetary benefits such as:

- Attendance at product provider educational seminars
- Assistance with Advertising/Branding
